Please read over the words to the songs for our spring program.

Great Expectations

Look at me. I hope you see. Somebody full of hope and possibility. I'm on a quest,
To do my best. And live up to my beautiful ability.

(CHORUS) Great Expectations! Just watch and you will see. Great Expectations!
You'll see the best in me! Great Expectations! Just watch and you will see. Great
Expectations! You'll see the best in me!

I promise you I'm gonna do With courage, courtesy and curiosity. Ready or not.
Expect a lot. It helps to feel that all of you believe in me.

CHORUS Gonna reach for the stars, gonna follow my heart, Gonna make my
mark, and I'm gonna do it smart. Great expectations is how it all begins And when
we do our best we know that everybody wins! Great expectations gonna make
them all come true. So expect a lot from me, 'cause I expect a lot from you!

CHORUS

The Key of Me

When you look at me, look at me. What is it that you see? I hope it's possibility.
'Cause that's the key of me.

When I sing my song, sing my song. I'll sing out loud and strong. I'll do my best I
guarantee Here in the key of me.

(CHORUS) The key of me. The song you hear and see. Not always in tune, But
the song that makes me me! The key of me. The song you hear and see.. Not
always right in tune. But the song that makes me..me!

You can come, come and see. We can live in harmony Bring your magic melody
And sing along with me.
